Capturing the coveted Spirit Trophy highlighted the year for the Class of '81. Lead by Dino Melgoza, president; Jean Hilburn, vice-president; Bonita Hamilton, secretary; Kevin Young, treasurer; and Mr. Dennis Hitchens and Miss Carolyn McNabb, advisors; the seniors not only earned the most points during Homecoming Week but also captured third place in the float competition.

The Senior Class sponsored the Homecoming Dance on the evening following the game to allow more time for the dance. In April the Class of '81 held the traditional Senior Ball, this year at His Lordships in Berkley. In May about 70 seniors and their dates travelled to Disneyland for Grad Nite. On the evening of June 5, 1981, the Class of 1981 bid its final farewell to Liberty Union High School with graduation on Ohmstede Field.

Working to help the Class of '82 have a successful year were Sandy Secrest, president; Julie Winthrop, vice-president; Margarita Martinez, secretary; Andrea Helecker, treasurer and Mr. Ellrie von Schopp and Mrs. Doreen Forlow, advisors. The juniors sold M&M's to raise money, sponsored the Sadie Hawkins turnabout dance in January and sold pom-poms at football games. Second place in the float competition during Homecoming had to be the most successful event for the Junior Class in '80-81.

The Sophomore Class was guided by Diane Kruger, president; Julie Biddle, vice-president; Gia Gilson, secretary; Lena Ramos, treasurer and advisors Mr. Jerry Black and Mrs. Jeanne Glenn. To raise money the Class of '83 sponsored two candy sales, sold balloons at football games and held a raffle. For the first time the combined Junior Prom/Soph Hop was held off campus. The sophomores worked hard to make the dance a success and crowned Tina Guintoli and Cliff Graves king and queen.

For a first year class the freshmen surprised everyone and captured first place in the Homecoming Parade float competition. Lead by Aimee Vasta, president; Gina Gonzalez, vice-president; Lisa deFremery, secretary; Rebecca Garcia, treasurer; and advisors Mr. Bill Batze, and Mrs. Jean Noble, the Class of '84 was quite successful in raising money: they sold flowers at Homecoming, sponsored a candy sale and held a DJ dance with a Rock-104 disc jockey.

MELISSA BATZE and Patty Turcotte dress up as Mickey and Minnie Mouse during Homecoming Week Festivities. These two Class of '84 members participated in most events during Homecoming.

SPORTS

Highlight of the sport's year was the announcement of the senior male and female athlete of the year. Jeanne Gallegos, outstanding in four years of sports participation, leadership and dedication was named the senior female athlete of the year. Jeanne starred in two sports- basketball and track. But it was in track that Jeanne really excelled. She was the only Liberty athlete to qualify two years in a row for the prestigious State meet. Throwing the shot-put with skill and determination, Jeanne lead all Liberty athletes.

With a number of fine senior male athletes to chose from, coaches had a difficult time before finally deciding on David Continente. David was a three sports letterman starring in football, basketball and track. For four years, David has participated fall, winter and spring in sports and it was appropriate that he be named best senior male athlete.

After enjoying another successful football season it was both gratifying and disappointing to learn in the spring that Coach Mark Watson had accepted a coaching position with the USC Trojans. Mark, who had compiled a 1980 season mark of 5-4, enjoyed a well-earned Homecoming victory over Miramonte.

New coaches for the 1980-81 sport's year were as follows- Laura Hamilton, girls' junior varsity basketball; John Rodgers, girls' varsity basketball; Dennis Hitchens, both frosh football and frosh basketball; Jerry Miller and Robert Glenn, varsity softball; Richard Barrios, junior varsity softball; Jerry Lilley, girls' track; and Bill Usher, junior varsity baseball. Also Coach Lilley has been named head varsity football coach for 1981 to replace Coach Watson.

Some of the individual awards and coaches' comments for the year are contained in the following paragraphs. In basketball, Brent Dickinson was named most valuable player and was voted to the FAL all league first team. David Continente was second team FAL, while Francisco Zepeda was named captain. The highlights of the season included a second place finish in the annual Yuba City Tournament and a big victory over Campolindo.

Coach Roy Ghiggeri felt that winning third place and three of the last four games in junior varsity basketball were important things to remember about his season. Luis Zepeda was the most valuable and Terry Glenn and Reynold Chavaraela shared captain honors.

Coach Dennis Hitchens named Mario Oseguera as his most valuable frosh basketball player and Mario and Mike Miller shared the captain spot.

In wrestling, coached by Greg Chapel, three individuals qualified for the North Coast Tournament. They were Anthony Orozco, Robert Pringle and Rodney Tharrahlen. Anthony was also named outstanding varsity wrestler and all FAL at 129 pounds. The co-captains were Robert Pringle and Dennis Knorr. The outstanding junior varsity wrestler was Robert Knorr.

Most significant in the spring sports picture, other than Jeanne Gallegos going to State, was the North Coast berth earned by the varsity softball team. With two new coaches and a new field, the girls fought hard to come from behind, earn a trip to North Coast and hold Petaluma to only a 1-0 victory.

The varsity baseball season started with excellent non-league victories, a drought with the opening of the FAL, a smashing Alhambra tournament championship and ended with an eventual winning season. Honors earned were- most valuable player, Mike McCauley; top hitter, Mike Joksch; top defensive, Kirk Shanks; captain award, Gary Conn; Teddy Ohmstede most inspirational, Eric Weeks. The junior varsity coach named Reynold Chavaraela as most valuable.

Other spring sports honors were- Swimming: Clarence Perry, most valuable varsity; Judy Knowles, most valuable junior varsity, and Rich Hart, captain's award; Golf: Larry Thornhill, most valuable; Tennis: Darren Moore, most valuable. A note on golf- Larry Thornhill earned league honors and missed by 1-stroke from qualifying at Region finals and a berth to State- further than any golfer has gone since the sport started at Liberty.

Climaxing the sports year was the naming of the Scholar-Athlete of the year. Clarence Perry, who not only excelled in the classroom with a 3.9+ average also was a fine swimmer and earned the award presented annually by the Brentwood Lion's Club.

Football Team Scrambles To Winning Season

ACTIVITIES

As always Barn Dance was the first, Homecoming the best, and the formal dances, such as Senior Ball and Junior Prom/Soph. Hop, the prettiest.

For the FFA it was a year of success. With their ever popular Barn Dance setting the tone the Future Farmers went on to sponsor a Donkey Basketball game (as usual the donkeys won) a parent-members banquet and a surfers' dance in June.

Homecoming saw a couple of new twists this year. For the first time a Homecoming King was selected and announced at the rally. Dino Melgoza was chosen as king from a field of ten senior males. Borrowing an idea from Antioch the Homecoming Queen was not announced until halftime of the varsity game. Each of the top five contestants-Jeanne Gallegos, Barbara Lorenzetti, Robin Hackett, Lori Bevill, Josie Ochoa were handed a boxed corsage. When the girls opened the boxes it was discovered that Barbara had been chosen Queen for 1980. The seniors sponsored the dance which for the first time was held the following evening.

The Playmakers were active this year as they sponsored a major musical and other lesser events. In the fall the group put on the "Brown Bag Theatre" - a bits and pieces on Fridays at lunch time. Later they took the best of the bits and pieces and combined it for "Best of the Brown Bag Theatre". Martha Vassaide and Chris Blumen starred in the musical "Gypsy" and a few nights later the Playmakers hosted "One-Acts".

California Scholarships Federation members spent time on Alcatraz this spring as part of the "reward" day field trip. In addition the students sponsored their annual carnival to raise money for scholarships and trips.

In the spring awards and scholarships, to the tune of over \$17,000.00 were presented to deserving seniors at the annual awards assembly.

The two major dances of the year, the Senior Ball and Junior Prom/Soph. Hop, were held in April and May respectively. The Seniors, dates and chaperones travelled to His Lordships in Berkeley for an evening of fun while the Junior Prom/Soph. Hop was held off campus at the Community Center for the first time.

This year the bi-lingual/bicultural students published their own paper, "El Estudiante Espan-glish", devoting bilingual articles to recipes, events and activities. The students and aides honored teachers and staff members involved in the program with a banquet in May.

In music, the top band award, the "John Phillip Souza Award" was earned by Joe Kalinowski while Donna Blakely captured the vocalists' "Jenny Lind Award".

Climaxing the school activities for 1980-1981 was of course Graduation on June 5. Clarence Perry and Don Roberts were named co-valedictorian and Jean Hilburn salutatorian. Chris Rodgers was selected as the student speaker. This year graduation time was moved up to 6 p.m.

CURRICULUM

From the Superintendent to the newest teacher each staff member at Liberty worked with one major goal in mind—the best education they could provide. This year they spent numerous hours writing an accreditation report that was reviewed by a committee in the spring and then sent in for recommendation for length of accreditation.

To get budget control a small computer information system was installed. As a result, the Board of Education, administrative department heads and all department chairpersons received monthly financial reports showing the status of their respective budgets.

To improve the quality of education for all students at Liberty, the district concluded a one and a quarter year Curriculum Study which resulted in improvements in the general education program required of students beginning with the Class of 1985. This includes stricter graduation requirements.

To give students, faculty, parents, and other school personnel a greater base of participation in the decision-making about improvements at Liberty, the Superintendent supported the School Site Council idea. Liberty established one and successfully competed for entry into the State Improvement Program.

To improve planning for future curriculum needs of students, the Superintendent has proposed a plan which will put all departments on a six-year cycle which would be fair to all concerned.

The Adult Education Program has expanded to many different programs. With this expansion they have met the needs of the community. Over 700 Adults have entered our programs for all different reasons.

In the business department, new transcribers were added to the equipment in Room E-4 for use in the clerical office practice classes.

All courses in Homemaking are semester classes and included clothing, foods, consumer education, child development, interior decoration and needlecraft.

The Performing Arts Department was busy preparing and giving concerts and plays. Music students went to San Francisco to see the Opera Company's production of "Don Pasquale". Two actors from the Shakespearean Festival, from Ashland Oregon, performed for the students in the department. In December the band and choir combined talents for the Winter Concert, the A Capella Choir and Girls' Ensemble performed at the Mormon Temple in Oakland and the girls group also performed at the Dickens Fair in San Francisco.

In March the vocal groups went on tour to Yuba City and Reno. In April, the musical Gypsy was presented, a group came from Willamette High School and the LUHS band performed at Marriott's. To round out the year, the band and choir performed their Spring Concerts.

The Science Department replaced a one semester course, physical science, with two, one semester courses entitled earth science and physical science.

Mr. William F. Peters was selected as the teacher of the year by the Liberty staff. In competition county-wise, Mr. Peters edged out another teacher from John Swett and was named Contra Costa County Teacher of the Year.

HIPPY DAYS, or the 60's is shown in this picture of our yearbook advisor Bill Batze. He is wearing the beads, vest, and head band typical of the heyday of the hippy movement.

Tip-On Cover Helps Staff 'Focus On '81'

ANNUAL STAFF PHOTOGRAPHER Damon Gill eyes the camera as he makes his way to a staff meeting.

ASSISTANT EDITOR Lisa Tutor is shown here at a rally. Lisa was very helpful this year.

BRENT DICKINSON flexes for the photographer. Brent was a great help on ads this year.

This year's annual staff consisted of a few "old" timers but was made up of mostly new faces. We got along fine and were agreeable on most major decisions.

When it came time to choose the theme and cover the staff quickly chose "Focus On " as the theme. Everyone fell in love with our tip-on covers. The tip-on consists of a picture called "Early Evening" which had to be placed on each individual book by Annual Staff members.

Because it cost extra money we had to persuade Batze to let us have special end sheets to compliment our neat cover.

We worked hard on the '81 yearbook and hope those of you who bought it, like it.

 William Batze-Advisor

MR WILLIAM BATZE, yearbook advisor doesn't appear too happy on annual staff mornings.

AS editor-in-chief of the 1981 Lion yearbook I would like to acknowledge those people who have made this year a success.

My heartfelt thanks to the teachers who allowed students out of class to help meet deadlines, sell ads, take pictures; the office staffers for their help in duplicating materials, supplies and mailing; the janitor for cleaning our messy room; a special thankyou to Mr. John Meyers for allowing me out so many first periods.

Thanks to Lisa Tutor, my assistant, who helped make life a little easier; to Donna Price who did so much extra (and has earned the honor of editor for the '82 book).

A thanks to the pros who help us- Mr. Bill Stephenson; representative; Mr. Hal Matson, photography; The American Yearbook Company and last but not least our advisor, Mr. Bill Batze-without your help a yearbook would never fly.

A sincere thank you - Shari Roderick
